Celebrating Women's History Month

"I belong here!" a statement HNA President Janette Pacheco recalls making in the past when women were often excluded and questioned for being in places of leadership. Our present and future look brighter thanks to all the women who have paved the way for us and who continue to advocate and fight for women's rights. Thank you NWHEAP and all the panelists for their continued work and activism.

Easter fun in Hermosa!

March was an exciting month filled with family-friendly activities and outdoor fun! We started with our Easter Storytime and Crafts with our beloved Easter Bunny. The kids enjoyed painting bunny-themed portraits followed by cupcakes and story time! This past weekend, the Hermosa community gathered at Hermosa Park for our very first Egg Hunt! The excitement was high during each age group egg hunt. After, the kids enjoyed crafts and face-painting while the parents enjoyed the weather and tunes from our Live DJ. We look forward to having this event next year!
